PRINCIPAL'S MESSAGE

Greetings Hall Families,

Happy Fall! We continue to revisit our 3 R's expectations, reminding our students constantly to be Respectful, Responsible, and Resourceful. Recently, many Hawks needed reminders about expectations in our playground area. We want to ensure all our students feel safe here at school. We have been reminding our students to be respectful by keeping their hands and feet to themselves and always using kind words. We encourage our families to review our 3 R's expectations at home with our students. You may find our 3R's expectations in our Family Handbook linked [HERE](#).

As we drop off and pick up students from school, please treat the area as a "traffic-safe zone." Please look out for parents, staff, and students crossing through the parking lot. Students should only be crossing the parking lot with an adult. Please try always to use the crosswalk. Pull up to the end of the drop-off zone to allow the other cars to pull up. Let's keep our students, family members, and staff safe!

On Thursday, October 19 our school will participate in the Great ShaekOut. During The Great ShaekOut millions of people worldwide will participate in earthquake drills at work, school, or home. If you would like to learn more about the great shacke out feel free to visit www.shakeout.org.

Parent Conference week is approaching in a few weeks. This is the perfect time to connect with your child's teacher and ask the important questions. A suggestion is to come up with 2-3 questions that you would like to ask about your child's education. Teachers will be connecting with you in the next couple of weeks to schedule your appointments.

Award assemblies will be happening at the end of November for Trimester 1. An invitation will be sent home with the exact date and time for students receiving awards.

Best,

Mayra Fernandez
Principal
